

ACEI
Association of Consulting
Engineers of Ireland
Cumann Innealtóirí Comhairle na h-Éireann

The Institution
of **Structural**
Engineers

(Republic of Ireland Branch)

Who Should Attend:

The course is aimed at practising civil/structural Consulting Engineers.

ACEI, IStructE and The Irish Concrete Society jointly present a **Tutorial Workshop on Eurocode EC2**, on 27th October 2010.

This one-day course will involve interactive design examples in accordance with the Irish national Annex & EC2. A set of worked examples will be provided to participants.

Participants will have the opportunity to purchase a copy of the Concrete Society publication 'Concise Eurocode 2' at a discounted rate of €36 (normal cost €55).

A "Certificate of Attendance" will be issued jointly by ACEI/IStructE/Irish Concrete Society to participants who meet the necessary requirements.

This course is a CPD accredited event.
