

**The Institution of Structural Engineers
Presents**

Graduate Evening

In collaboration with the Irish National Group of IABSE and UCD's Struct Soc, the Republic of Ireland Branch will host their annual Graduate Evening on 8 November, in UCD. On the evening a number of recent graduates will present their personal experiences since graduation and will answer questions from the audience. This is an informative event and offers engineering students a chance to learn more about the different career paths open to them.

This year the speakers are:

- Julie Harkin, Roughan & O'Donovan Consulting Engineers
- Niamh Gibbons, University College Dublin
- David Deally, Arup

The evening promises to be highly informative, especially for **final-year students**, and is open to all interested members of the public.

**6.30 pm Tuesday 8th November 2011, Room F14, Newstead Building,
University College Dublin**

(Tea / coffee reception at 6.00 pm in the College)
