## 5 Credit CPD 4 Weekend Course in Building Regulatory Engineering

(All key aspects of the Building Regulations addressed)

### Course Details;

*With the introduction of the new building control inspection regime and certification process just around the corner, now is a good time to learn or refresh all aspects of the building regulations and their associated technical guidance documents. Our courses generally have a range of participants from recent graduates to very experienced practising professionals, and we get very positive feedback from all participants. Class sizes are kept small to allow active involvement and to maximise the learning experience.*

- *Four weekends 21/22 & 28/29 March, 4/5 & 11/12 April 2014*
- *Friday evening 6 to 9pm, and Saturday 9am to 4pm.*
- *Course fee is €495 which includes all course notes and assessment fees.*
- *Applications are made online at <http://www.cit.ie/course/CRCBREG8>*

*Additional details can be found using the above link, or by contacting the course co-ordinator Mr Andrew Macilwraith at [andrew.macilwraith@cit.ie](mailto:andrew.macilwraith@cit.ie) or on 087 2405605*
